at Lincoln Center
710 W 9th St.

Public Health
Prevent. Promote. Protect
Crawford County Health Department

There will be a Raffle prize and snacks

Community training for parents, caregivers of young children, and families who are expecting a baby or have had a baby in the past 12 months.

A presentation will be giving by Tammy Alcantar and Diann Gambill about urgent maternal warning signs and focusing on postpartum depression, including signs and symptoms and ways families can manage symptoms and find support.

Community vendors available to share information about services and resources that families can access for additional support.

No transportation will be provided
