Thursday Trainings

10:00 AM - NOON - GIRARD

Developmental Disabilities Refresher

Providers who are ADOS trained can attend this refresher course to brush up their skills.

1:30-5:00 PM - GIRARD

Child-Adult Relationship Enhancement (CARE)

An interactive workshop for anyone who works with children to learn play-based strategies for building strong connections with young children.

3:30 - 5:00 PM - PITTSBURG

Behavior Supports Training

Learn about various types of behavior and environmental supports for kids and young people with autism!

Friday Trainings

8:00-11:00 AM - PITTSBURG

Developmental Disabilities and Mental Health

Learn strategies for more accessible psychotherapy. For case managers, therapists, and other professionals.

12:30-2:30 PM - PITTSBURG

Monitor, Care and Share

Learn strategies for understanding and monitoring young children's development and starting productive conversations with parents. Perfect for paras, pipeline staff, and other direct-care professionals.

1-3 PM - PITTSBURG

Brief Case Consultations

Talk with a member of our team to get ideas about individualized supports for a youth with developmental disabilities.
